1. In Govt. Order No.1251-61/C.B.25-47-2 dated 3rd September 1948, sanction has been accorded to the continuance of the marginally noted* establishments to the end of June 1949.

* 1. Separate Section with an Assistant Secretary, two First Division Clerks, one Stenographer and two peons (as part of the Confidential Branch).

2. Assistant Secretary for the A.& F. Branch with two peons.

X

2. The establishment relating to Sl.No.1 was first accorded sanction in 1945 to deal with questions relating to the Accession of the State to the Indian Federation and other allied problems and has been continued ever since as part of the Confidential Branch.

3. The work for which this section was ear-marked seems to have been suspended quite a long time back presumably on account of the radical constitutional changes foreseen almost immediately and which materialised finally in 1947. Of the ministerial staff sanctioned only one Steno-typist seems to have been drafted for work in the Confidential Branch and he is continued. The remaining staff was not taken apparently because the work did not require it.

4. On the other hand, the post of Assistant Secretary sanctioned in 1945 and continued ever since appears to have been utilised for the conduct of work relating to the Confidential Branch almost exclusively, evidently because the normal work of the branch was heavy and required a whole-time officer. This state of affairs does not seem to have decreased by any means, but on the contrary seems to have increased in a very great

Note.— Contn. Sheet

measure. Owing to increase of work in the sections of the branch, especially in the section relating to Council work. This is perhaps equally true of the Asst. Secy. A & F. Branch.

5. The Ministerial staff of C.B. has been separately added to since 1945 after obtaining sanction for additional hands to deal with additional items of work handled in the Confidential Branch, eg., Retrocession Refugees and Government Dakota. It may perhaps be desirable to examine the question of the ministerial staff sanctioned in the above Government Order separately with reference to the other orders relating to additional staff for the Confidential Branch and to put it up for orders finally in consultation with C.B.

6. If this is approved, orders are required on the continuance of the following appointments only:-

(1) One Assistant Secretary with two peons, as part of the Confidential Branch;

(2) One Additional Assistant Secretary for the ~~work in~~ A.& F.Branch with two peons.

7. The proposals require financial concurrence and would be Council Matter.

13.4.49.

8) The work attended to by the two Asst Secretaries to post refers to above has not decreased, but has on the other hand increased. It is, therefore, absolutely necessary to continue these two appointments with the Secretarial establishment for one more year. Fin Concurrence is also necessary.

9) It being a Schedule matter orders are solicited as to whether the

the matter may be disposed of by circulation or considered at a meeting of Council.

12) C. B. Collection No. 31-44-1-2 Relating to the appointment of an additional Asst. Secy. is put up herewith - vide G. O. flagged. As per O. M. No. 306-13/CB. 10-44 2 dy 26.7.44, the post of additional Asst. Secy has been allocated (presumably in anticipation of sanction) against the A & F. Branch.

18.4.49. 13) The post of the two Asst Secretaries and the menials attached to them may be continued for one more year, as work in the Branches continues to be heavy.
